SHINGTON Bisbee Post Office Reports Material Increase In Receipts

> According to the reports just completed and filed Assistant Postmaster R. A. Clampitt, the Biebee postoffice is making one of the biggest gains in business of any city in the Southwest. During the past three months there has been a very decided gain amount of the receipts of the office as will be seen from the following figures: During the month of February the receipts were \$2, 350.05; March, \$3,195.43; April, \$4,667.43. The average number of money orders issued per month is 131. During the past year there were issued out of the office 40,724 domestic money orders that covered amounts totaling \$390,081.68, international orders, amounting to \$53,695.06. Not only have the receipts of the office increased by the postal savings department shows a very decided increase. In April 1915 the deposits were \$1330 while during the past month they were \$6084.00. At the close of business on April 30th the amount of deposits was \$158,552. The showing is a remarkable one and one that a city of much larger population might well be proud.
